

What makes us different?

We're the leading supporter of the Irish Property Sector

Our Property Finance team at Bank of Ireland have financed a variety of major projects and are looking for more opportunities to support Irish builders and investors.

Our experienced team work with many of the biggest names in property and are leading the way in providing innovative and customised debt structures in a complex market.

Whether you're a developer or investor thinking about your next project, we can help you.

To experience why we're different talk to:

Paul McDonnell
Head of Property Finance Group
