

Supporting the growth of The City Bin Co.

July 2020

Bank of Ireland Corporate Banking is delighted to have provided a new 5-year Senior Facility to The City Bin Co., an award-winning waste management company.

Founded in 1997 and headquartered in Galway, The City Bin Co. is a leading provider of waste management services in both Dublin and Galway cities, serving in excess of 80,000 household and commercial customers. In 2019, Carlyle Cardinal Ireland (CCI), a private equity fund, invested in The City Bin Co. to support and accelerate its strategic growth ambition. The new long-term funding extended by Corporate Banking further enhances the company's capital structure and provides and underpins a solid platform for future growth.

**“Bank of Ireland is
delighted to support
The City Bin Co. in providing
financing in order to support
their next phase of growth.”**

Commenting on the transaction Ken Brady, Director, Bank of Ireland Corporate Banking said: “Bank of Ireland is delighted

to support The City Bin Co. in providing financing in order to support their next phase of growth. We look forward to deepening our relationship and wish them continued success in the future”.

Louise Niemann, CFO of The City Bin Co. said: “The execution of this transaction was done with the utmost professionalism and customer centricity, principles we value strongly within our own business. Bank of Ireland’s support has laid important groundwork for the future success of the business and we look forward to developing the relationship for many years to come”.

At Bank of Ireland Corporate Banking, building relationships with our customers is at the core of how we do business. Our dedicated New Business team take the time to get to know your company, your management team and your unique strategy. See how we can support your business to succeed, exceed and thrive.
