

Making the Best Decisions

June 2020

Bank of Ireland's London based TMT team has supported Globaldata plc with a £35m commitment in the new £145.5m Amended & Extended senior debt facilities.

Globaldata assists some of the world's most influential companies in making better and more timely decisions providing unique data, expert analysis and innovative solutions delivered through a single platform.

The business covers Consumer, Retail, Technology, Healthcare and Financial Services. Making the best decisions has never been so critical than now during these uncertain times.

Commenting on the transaction Adrian Handley, Bank of Ireland Corporate Banking said: "we are delighted to build on our strong relationship with the Management team. Globaldata is a leading and advanced content provider in the industry and we are pleased to play our part in this financing."

Graham Lilley, CFO of Globaldata plc, stated, "We would like to thank Adrian and the team for their strengthening support. We look forward to working with Bank of Ireland as we continue to grow our business."
