

# Bank of Ireland supports Zetland Capital in Morrison Hotel investment

## Bank of Ireland Corporate Banking is delighted to support Zetland Capital in the acquisition of the iconic Morrison Hotel at the heart of Dublin City Centre.

Zetland Capital is a London-based Private Equity firm investing in European mid-market transactions across a wide range of sectors with a focus on tangible assets.

Plans are currently being developed for modernisation and a further investment into this 4-star, 145-room hotel, situated in an excellent location fronting the River Liffey, in the centre of Dublin.

Surrounded by prime shopping outlets, with ease of access to all of Dublin's many cultural attractions including Temple Bar, the hotel is very well-positioned to benefit from the post pandemic recovery in tourism. Furthermore, it will once again be an attractive location for Corporate business later in the year and into 2022, given its proximity to the IFSC.

Peter Davy, Director at Bank of Ireland commented: "Bank of Ireland is delighted to support Zetland Capital in its investment in the Morrison Hotel. We remain committed to supporting the hospitality sector as it emerges from the disruption caused by Covid 19."

Ahmed Hamdani, Chief Investment Officer at Zetland Capital added, "We have a very active pipeline of leisure and hospitality opportunities across Europe. We are delighted to be acquiring the Morrison, which is a high quality hotel in a prime location, and to be supported by Bank of Ireland."

At Bank of Ireland Corporate Banking, building relationships with our customers is at the core of how we do business. Our dedicated Hospitality & Leisure team take the time to get to know your company, management team and your unique strategy. See how we can support your business to succeed and thrive.
