

New sustainable linked debt package supporting Eurocell's green agenda

Bank of Ireland's Corporate Banking team based in Northern England is delighted to provide committed debt facilities to Eurocell plc as part of its new £75m three bank club sustainability linked RCF, which will be used to support the Group's continued growth.

Headquartered in Alfreton Derbyshire, Eurocell plc is a leading manufacturer, distributor and recycler of UPVC window, door, conservatory and roofline systems, employing circa 2,300 staff across its manufacturing facilities and nationwide network of 219 branches.

Eurocell plc has a strong focus on sustainability and is recognised with the LSE Green Economy Mark as a leading UK based recycler of uPVC windows.

Richard Allinson, Head of Corporate Banking, Northern England said "Eurocell plc has a positive market position and trading history, led by a proven and capable management team. We are delighted to be supporting them with their growth and sustainability agendas".

Michael Scott, Chief Financial Officer, Eurocell plc said: "From the outset Richard and David demonstrated a strong understanding of our business and strategies. They were easy to deal with throughout and we are pleased to have them alongside us as we continue to invest in our business."
