- 5.2 To use the services of a TPP for your Account, you must be able to access your Account through Digital Banking.
- 5.3 Where we provide your TPP access to your Account, you can choose to allow your TPP to access information or make payments from your Account or both.
- 5.4 Where you sign up with a TPP that provides you with account information services or payment initiation services, we may in our sole discretion allow such providers access to your Account.
- 5.5 Where a TPP is not authorised or registered in accordance with applicable laws and regulations, we may refuse to allow such a TPP to access your Account. We may also refuse access where we know or suspect that access to your Account, or initiation of a Transaction in relation to your Account, by a TPP is, or would be, unauthorised or fraudulent.
- 5.6 Where we refuse access, we will notify you of the reason for the refusal and may report such refusal to the Central Bank of Ireland in accordance with our obligations under the PSR. We will not be required to notify you under this clause 5.6 where doing so would comprise reasonably justified security reasons or would be unlawful.
- 5.7 You are not obliged to use the services of a TPP for the Account but, if you do, the Bank may be required to provide information on your Account to an authorised payment initiation service provider for the purpose of confirming whether your Account contains an amount necessary for the execution of the Transaction in question. You explicitly consent to the Bank providing such information.
- 5.8 It is your responsibility to read the terms and conditions of the TPP. It is also your

responsibility to understand exactly what information the TPP will be able to access and how it will be used by them. This should all be covered in your agreement with the TPP. A TPP should be registered with any relevant financial services regulator in order to provide payment services to you.

- 5.9 A TPP may look for access to your Account, for example, to provide payment or account information services to you. However, we will only allow such access where you have permitted us to allow that.
- 5.10 It is the responsibility of the TPP to ensure any information it holds about you or your Account is secure.
- 5.11 If we receive an instruction from a PISP to initiate a payment on your Account, we will treat this as an instruction from you.
- 5.12 You can instruct a PISP to initiate a payment on your Account by following their procedures. If you do this, you must authorize us to make the payment by using our online verification processes and your Security Credentials. Once you have authorised us in that way to make the payment initiated by the PISP we will treat the payment as though you asked us to make it yourself.
- 5.13 Once you have authorised us to proceed with a payment initiated by a PISP it cannot be amended or stopped unless you ask us to amend or stop it before the relevant Cut-off time.
- 5.14 If we receive an instruction from an AISP to access information about your Account, we will treat this as an instruction from you.
- 5.15 You can instruct an AISP to access and hold details of your Account by following their procedures. If you do this, you must authorize us to share the information with the AISP by using our online verification processes and your Security Credentials. Once you have done this, the AISP can make any number of requests for access to your Account for up to 180 days and we will obey those requests (unless we have duly evidenced reasons relating to unauthorised or fraudulent access to your Account, in which case we may (but are not obliged to) request that you authorise us again (in the way set out in this clause) before we share information with the AISP). Once the 180 days pass, you need to authorize us again (as set out in this clause) if you wish us to continue to share information on your Account with your AISP.

- 5.16 At any time you wish you can (a) cancel any service that a TPP provides you that concerns your Account; or (b) any consent or permission you give a TPP that concerns your Account. You may have to follow the TPP's procedure to make sure they cancel their service or stop acting on your consent or permission. If you send your TPP a cancellation when we are processing an instruction from them to carry out an Account transaction or to get access to information about your account, it may be too late for us to cancel the instruction and if so you permit us to obey it.
- 5.17 If you permit a TPP to access your Account(s) and/or initiate an Account transaction (a) the TPP will have access to your Account(s) and (b) we are not responsible for anything the TPP does.
- 5.18 We may refuse to process an instruction from a TPP to make an Account transaction or a request from a TPP to provide information where we know, or have reasonable grounds to suspect (a) that you have not authorised a TPP to give the instruction; or (b) that the instruction from the TPP may be fraudulent or given by mistake. If we can identify the TPP, we will contact you as soon as we reasonably can in a way we choose, unless the law prevents us from doing so or we reasonably believe it would compromise our security measures.
- 5.19 We record the instruction you and any TPP give us. If there is a dispute between you and us or you and a TPP concerning the Account, you agree to accept our records as accurate (unless it is clear we made a mistake).
- 5.20 You should contact a TPP directly, if you have any queries or complaints regarding the services they provide to you.
- 5.21 You agree to cooperate with us and give us information we ask for if you have a complaint about your Account and we suspect that a TPP may be responsible for it, for example, where we suspect it is the TPP's fault that an instruction was not carried out or was carried out wrongly or too late.
- 5.22 In order to effect a Transaction, you will be required to provide us with the payee's Sort Code, Account Number and name, and you may also be required to provide a BIC and IBAN in certain circumstances.
- 5.23 Instructions for payments to third parties must be provided to us in writing (or by fax or other electronic means where this

- has been agreed between us). Where Standard Settlement Instructions (SSIs) have been provided to the Bank in writing, the Bank may agree to take Payment Instructions referencing the SSIs over the phone. SSIs must be substantially in the form set out in the standard settlement instruction template available from the Bank, otherwise, we may not, for technical reasons, be able to process your payment instruction.
- 5.24 Where you are a Banking Customer, you may withdraw an Instruction provided under clause 5.1 at any time prior to the point in time at which that Instruction can no longer be revoked in accordance with clause 7.3 (applicable Cut-off Time).
- 5.25 We may from time to time apply financial or other limits to your Instructions and reserve the right to refuse an Instruction in accordance with clauses 8.7 and 8.8 if it is above one of such limits.
- 5.26 We may from time to time and in our sole discretion require Instructions from all the Authorised Individuals to operate the Account.
- 5.27 You shall do all that is necessary to ensure maximum security in connection with the issue of any Instructions or Confirmations and shall keep secret any system authorisations and/or validation codes which we may issue in connection with such Instructions or Confirmations, except where you have our express written consent to disclose it or them. If you become aware, or suspect that any code becomes known to any unauthorised person, you will notify us immediately and will be liable in full until notification is received and acknowledged by us for any Transactions effected as a result of a breach of this provision.
- 5.28 You acknowledge and agree that:
- (i) no confirmation of the Instructions shall be required before or after we act on Instructions given by telephone or facsimile (or any other electronic system, medium, platform or mechanism which we may agree with you), but you shall, if called upon to do so by us, confirm such Instructions in writing provided that failure to do so shall not render invalid any action taken by us pursuant to such Instructions. For the avoidance of doubt, we shall be authorised to follow Instructions even where you do not subsequently confirm them in writing;
 - (ii) subject to clause 8.5 below, we assume no liability or responsibility for consequences arising out of the interruption of, delay and/or loss in transit of any messages, letters or documents or for any delay, mutilation or other errors arising in transmission of any Instructions or Confirmations however sent unless arising through our fraud or wilful neglect;
 - (iii) you will indemnify and keep us indemnified against all claims, demands, liabilities, losses, fees (including legal fees on a full indemnity basis), actions and proceedings whatsoever and however arising which we may incur or suffer by reason of us acting on any Instructions and Confirmations however sent or received and we may debit any Account in your name with any sums payable by you hereunder.
- 5.29 Subject to clause 8.5 below, we agree and acknowledge that you shall not incur any liability as stated in clause 5.28 (iii), to the extent that any claims, demands, liabilities, actions and proceedings arise out of any fraud or wilful neglect duly proved (in each case, by a court of competent jurisdiction) on our part, or the part of our officers, representatives or agents.
- 5.30 Where Instructions are provided by or purported to be provided by an Authorised Individual by telephone or any other electronic system, medium, platform or mechanism which we may agree with you, such Instructions will override any provisions in the Account Mandate in relation to the number of signatures which are required to operate your Account. Subject to clause 8.5 below, each party waives its rights to challenge any such message on the basis of how, or if, it was delivered.
- 5.31 You shall at all times accept the debit or the credit of any of your Accounts as conclusive evidence of any Instructions and of the amount involved.
- 5.32 If an amount is incorrectly debited or credited to your Account, the Bank may make any necessary correcting entries to the Account without the need for approval from you. In certain circumstances the Bank may request your authority to recover a misdirected payment which has been credited to the Account. If your

authority is not forthcoming, the Bank will provide such of your details as may be required to the relevant payer in order to assist their recover of such misdirected payment.

- 5.33 Cash lodgements and cash withdrawals are not permitted on any Account and we will refuse to process any Instruction to accept a cash lodgement or cash withdrawal on any Account.

T = Period of deposit in days

- 6.4.2 Interest is typically not paid on Current Accounts. Where we have agreed that interest applies to your Current Account, the formula set out above in clause 6.4.1 is applicable; however, a larger Deposit Margin may apply. In such cases, information on the relevant Deposit Margin is available from your relationship manager.

- 6.4.3 For Fixed Term Accounts, please refer to clause 9.1 below.

6.5 Foreign Exchange Conversions – Reference Rates

Bank of Ireland determines its foreign exchange rates by reference to foreign exchange market rates ("Reference Rates") made available by information service providers, such as Reuters and Bloomberg. These Reference Rates are adjusted by an appropriate margin to take account of the Transaction type, size, currency, market conditions and overall cost of undertaking the Transaction. The Reference Rates applicable to smaller value Transactions are established at approximately 7.30 a.m. each Business Day. Reference Rates on larger value Transactions (typically > Euro 70,000 in value), and some smaller value Transactions which are subject to negotiation, are established at the time of the conversion request. The underlying Reference Rate is available on request from your relationship manager.

7 Operation of your Account

- 7.1 You must operate your Account in accordance with the most recent Account Mandate that you give us. The terms of your Account Mandate are in addition to these Terms and Conditions.
- 7.2 You shall not knowingly use, authorise or knowingly permit any other person to, directly or indirectly, use the Account or use, lend, make payments of, contribute or otherwise make available, all or any part of the proceeds of any credit agreement with the Bank to fund any trade, business or other activities involving or for the benefit of any Sanctioned Person or in any Sanctioned Country or in any other manner in each case as would result in the Bank being in breach of any Sanctions. You shall not use any revenue or benefit derived from any activity or dealing with a Sanctioned Person or in a Sanctioned Country to fund the Account or to discharge any obligation due or owing to the Bank.
- 7.3 We will aim to process your Instructions on the day of receipt by us where Instructions are received by certain Cut-off Times which we may revise from time to time. We may refuse to accept any Instruction received after the applicable Cut-off Time. For further information on Cut-off Times which apply to your Accounts, please contact our Global Markets Customer Service Team on telephone +353 1 609 3290 or visit <https://businessbanking.bankofireland.com/payments-and-cards/online-banking/business-online/payment-cut-off-times>.
- 7.4 You must advise us in writing of any changes to your name, corporate status, registered office/trading address and your telephone number.
- 7.5 Sole Trader/Individual/Joint Account**
- This clause only applies if you are a natural person holding your Account in your own name or you are a sole trader or if you are the holder of a joint Account:
- 7.5.1 You must advise us immediately in writing of any changes to your name, status, address and your telephone number.
- 7.5.2 If two or more people hold an Account, you authorise us to accept Instructions (including repayment Instructions) by any one of you unless you tell us otherwise in the Account Mandate. Where you have authorised us in the Account Mandate to accept Instructions from any one of the joint Account Holders, any one of you can withdraw the entire balance held in the Account. Where there are two or more Account Holders, the liability of each is joint and several. This means that the Account Holders are liable together but also as individuals for any monies owing, including any overdraft or other debt.
- 7.5.3 If the Account is in the name of two or more of you, one of you can instruct a TPP to access your Account details or initiate a payment on your Account by using the TPP's procedures and ours. If we receive a request from a TPP to access your Account details or initiate a payment, we respond to it as if all or both of you had made the request or asked the TPP to make it on behalf of each of you.
- 7.5.4 Before we can remove an Account Holder from a joint Account, we must receive a written request signed by both/all Account Holders. All unused cheques held by the departing Account Holder must be returned to us. In the event of separation, divorce or death of a joint Account Holder, it is your responsibility to advise us of any changes to be made to your Account(s). In the event of the death of a joint Account Holder, we can remove the deceased Account Holder from a joint Account on receipt of a written request signed by all surviving Account Holders.
- 7.5.5 In the event of the death of one of the joint Account Holders the balance of the Account will be payable to the survivor(s) and the survivor(s) shall be entitled to operate the Account. Unless you instruct us in writing otherwise, communications from us will be addressed to the person named first on the most recent Account Mandate you have given us, or where applicable to the survivor(s).
- 7.5.6 In the case of the death of the only Account Holder, the Account shall be operated on the Instructions of the Account Holder's personal representatives. If you have authorised a third party to sign Instructions on your Account under your Account Mandate, after your death the third party will not be able to carry on giving Instructions in accordance with the Account Mandate.
- 7.5.7 In order to effect a change of Account Holder on an Account, we may be required to ask you for further supporting documentation in order to meet our legal obligations.

7.6 Partnership

- 7.6.1 In the event that we are informed in writing, or we become aware of, a dispute between the partners, we may suspend the operation of your Account Mandate until all partners confirm in writing or we are otherwise satisfied that the dispute is resolved or until you give us a new Account Mandate signed by all partners. Whilst an Account Mandate is suspended, Transactions will only be authorised if they are signed by all partners.
- 7.6.2 The liability of each partner is joint and several.
- 7.6.3 In the event that a partner dies, there will be a presumption under law, that the partnership ceases to exist unless evidenced otherwise in a partnership agreement or other similar document which the partnership will have provided to the Bank. If the partnership is deemed to have ceased to exist, the operation of the Account will be suspended until further instruction has been received which is acceptable to the Bank.

7.7 Other Entities

If you are a public limited company, a designated activity company, a limited company, trust, school, club, association, religious order, credit union, vocational education college, co-operative, unit trust, local authority or other unincorporated entity: In the event that we are informed in writing, or we become aware of, a dispute between directors, members, trustees or members of the governing board or equivalent (as the context requires), we may suspend the operation of your Account Mandate until all directors, members, trustees or governors (or equivalent) confirm in writing or we are otherwise satisfied that the dispute is resolved or until you give us a new Account Mandate pursuant to a board resolution (or equivalent) agreed at a meeting of the directors, members, trustees or governors. Whilst an Account Mandate is suspended, Transactions will only be authorised if they are signed by all directors, members, trustees or governors (as the context requires).

8 Accounts

8.1 General

- 8.1.1 We reserve the right in our absolute discretion to decline to open an Account for any reason and we shall not be obliged to explain our decision to you.
- 8.1.2 We reserve the right in our absolute discretion, subject to the provisions of clause 19 below, to close an existing Account and we will not be responsible for any loss or damages incurred whether to you, or to any other person by our so doing. We will, however, explain the reasons for the account closure and account to you for the principal sum in such account and any interest which may have accrued.
- 8.1.3 We also reserve the right to refuse to accept Instructions in relation to the opening and the operation of an Account if the Account Mandate and/or other documentation which we may require in accordance with clause 4.1 has not been provided to us.
- 8.1.4 It is your responsibility to provide correct Instructions, including the information required under clauses 5.2 and 5.3. Failure to do so may result in non-application, delayed application or incorrect application of funds, for which the Bank is not responsible. Where incorrect Instructions are identified by the Bank, the application form may be returned to you for correction.
- 8.1.5 Interest on Accounts shall be paid subject to the applicable laws and regulations of Ireland.
- 8.1.6 Transactions or other services in relation to your Accounts may be subject to Fees as set out in these Terms and Conditions or in the Fees and Charges Schedule.
- 8.1.7 In the event we suspect or detect any fraud or unauthorised activity on your Account, we will advise you via phone call, SMS message or email as appropriate. If we deem it necessary we may block your Account and will advise you of the block and how it may be removed.

8.2 Payments into/withdrawals from Accounts

- 8.2.1 Neither we nor our representatives or agents will be responsible for any unauthorised withdrawals from an Account unless we have been put on notice of the possibility of such withdrawal. For

example, you have reported to us in writing that details of your Account have been fraudulently obtained by another person.

- 8.2.2 If you wish to pay into your Account, a cheque, draft or other negotiable instrument which is not made payable to you, we are entitled to refuse such a request and we will not be liable for any loss or damage that results from such refusal. If we agree to process such a request, however, you agree to indemnify us on a full indemnity basis for any loss or damage which we may incur (whether directly or indirectly) arising from the processing of such cheque, draft or other negotiable instrument.
- 8.2.3 Crossed cheques, cheques marked A/C Payee or Account Payee can only be paid to the named account.
- 8.2.4 We will accept payments to your Account in a currency other than the currency of the Account. If you make such a payment, we will convert the currency of your payment into the currency of the Account to which the payment is to be applied at the prevailing exchange rate applicable to that Transaction size on the date on which we receive funds. You cannot make or receive SEPA Instant Credit Transfers from or to your Account. You and the Bank will make all reasonable efforts to agree the exchange rate in advance of completing larger value transactions (i.e. >€70,000 equivalent). In the event of this not being possible, and if you have an issue with the Transaction, you will promptly (i.e. within 7 days) bring this to the attention of the Bank. Any fees which we incur as a result of such conversion shall be borne by you.
- 8.2.5 Cash lodgements (in Euro or foreign currency) are not permitted on any Account. We will refuse to accept cash lodgements on all Accounts and shall not be obliged to explain our decision to you. Cash withdrawals are not permitted on any Account.
- 8.2.6 In line with current banking practice, payments into your Account, whether from you or a third party, may be credited to your Account on the basis of either the Account number or International Bank Account Number (IBAN) and on the basis of the Sort Code. This is because with the increasingly electronic nature of banking settlement systems, inward payments will not be manually scrutinised. You agree that when we are crediting your Account, we have no obligation to check whether the name on the Account or other information relating to the Account is correct. Where the Account number/IBAN or Sort Code is incorrectly stated on a payment order by the Account Holder or a third party, the Bank shall have no liability for the non-execution or defective execution of the payment order to the Account. You agree that we may refuse to act, without any liability for so doing, where an incorrect Account number or IBAN has been received.
- 8.2.7 The balance of your Account may include cheques, drafts or other negotiable instruments paid into such Account but which are not yet cleared. We may credit your Account until such an instrument has been cleared but you will be unable to withdraw against the uncleared deposits. We may use other banks in the process of clearing your cheques, drafts or other negotiable instruments. We are not responsible for the actions or omissions of those other banks, nor for the loss or destruction of any items while they are in the possession of another bank or in transit. When you pay a foreign cheque into your Deposit Account you must endorse the cheque by signing it on the back.
- 8.2.8 The proceeds of any cheque lodged to the Account in any currency other than the currency of the Account will be converted to the currency of the Account at the exchange rate determined by the Bank on the date such Transaction is processed. If the cheque is later returned unpaid or uncleared, we will have recourse to you (and anyone who has signed or endorsed the cheque) and the unpaid or uncleared cheque will be converted to the currency of the Account at the exchange rate determined by the Bank on the date such Transaction is debited to the Account. The Bank will not be responsible for any losses incurred.
- 8.2.9 If you instruct us to make payment from your Account to an account that is denominated in a different currency we may carry out a currency conversion at the prevailing foreign exchange conversion reference rate.
- 8.2.10 In respect of Payment Instructions, if we receive your Payment Instruction before the relevant Cut-off Time, we will process the payment from your Account on the

Business Day ("D") that we receive it (unless you have requested that it should be paid on a date in the future). If the payment is in Euro and the financial institution of the payee is located in the EEA, we will ensure that the financial institution of the payee will receive the payment within one Business Day of D (D+1). If it is a crossborder payment in Sterling, or other EEA Currency (non-euro), and the financial institution of the payee is located in the EEA, we will ensure that the financial institution of the payee will receive the payment within three Business Days of D (D+3). Where the Payment Instruction is submitted on paper, the processing time may be an extra Business Day ((D+2) and (D+4)). Any other Payment Instructions may take longer to process. If you instruct us to make a payment from your account to an account that is denominated in a different currency we may carry out a currency conversion at the prevailing market rate. If the Payment Instruction is received on a non-Business Day or after any applicable Cut-off Time or the date of receipt is not a Business Day, we will process your payment on the next Business Day.

8.2.11 If a payment into your Account is received on a Business Day, the relevant Cut-off Time has not passed, and the payment does not require currency conversion, other than a conversion from euro to another Member State currency, or vice versa, we will credit your Account with the payment on the same Business Day that we receive it. All other payments requiring a conversion will be credited to your Account as soon as the relevant conversion has been completed. You also agree that we have the right to deduct transaction charges from any payment into your Account before crediting to your Account. Cash lodgements and cash withdrawals are not permitted on any Account.

8.2.12 When you make or receive a payment from or to your Account, you will be obliged to pay our charges only. Each bank can only apply a charge to its own customer. This rule applies to all payments processed within the EEA (i.e a payment which is going to or coming from an EEA member state - e.g. a Euro payment from your Euro account sent to a German supplier). For payments processed in the EEA where the beneficiary account is located outside of the EEA, you have the option to pay the others bank charges, in addition to our

charges. This clause applies to all types of Accounts dealt with in clause 9 below, with the exception of Fixed Term Accounts.

8.3 Express Lodgements

8.3.1 When the Account Holder makes a lodgement with the Bank using the express lodgement facility provided at a Bank branch, such lodgement shall consist only of cheques. Cheques to be lodged must be enclosed in the special envelope available from branches of the Bank together with the appropriate lodgement docket.

8.3.2 The Bank is not deemed to have received any cheques in any such lodgement until the special envelope has been opened and the contents processed by the Bank or by any two persons authorised by the Bank or one authorised person whose operation is recorded by Closed Circuit Television camera and video equipment, to open the special envelope and process the contents and, until then, the contents remain at the risk of the Account Holder.

8.3.3 The Account Holder shall accept as **conclusive** in the absence of manifest error the testimony of any two persons authorised by the Bank who processed any such lodgement as to the amount contained in the special envelope. If any discrepancy shall be discovered by the Bank or by any two persons authorised by the Bank to open the special envelope and process the contents, in the contents or details of any such lodgement, the relevant lodgement docket may be appropriately corrected by the Bank or by any such authorised persons and any correction so made shall be accepted as conclusive in the absence of manifest error by the Account Holder.

8.4 Confirmations/Statements for Accounts

8.4.1 Subject to clause 8.4.2, the Bank will provide or make available to you a Confirmation or a Statement setting out the following details in respect of all Transactions;

- (a) A reference enabling the Account Holder to identify each Transaction;
- (b) The amount of the Transaction;
- (c) Where applicable, the exchange rate applied to the Transaction;
- (d) The debit or credit value date of the Transaction

- 8.4.2 You have the option to receive the Transaction information set out in clause 8.4.1 as individual transaction receipts or in periodic Statements which will be provided or made available free of charge at an agreed frequency, and at least annually. You agree that we will provide Statements at an agreed frequency and you will notify us if you want to opt for a different frequency, or receive individual transaction receipts.
- 8.4.3 Some Confirmations may be generated automatically and may not be signed on our behalf.
- 8.4.4 If you do not receive a Confirmation or a Statement, it shall not affect the efficacy, validity or enforceability of the relevant Account or Transaction.
- 8.5 Disputed or Unauthorised Transactions**
- 8.5.1 You agree to examine all such Confirmations or Statements and you agree that unless you notify us of any errors contained in any such Confirmation or Statement within ten (10) Business Days of the date of such Confirmation or Statement, or, in relation to certain FX Contracts, within the earlier timeframe that may be specified in such Confirmation or Statement, you will be deemed conclusively to have accepted all the matters contained in all such Confirmations or Statements as being true and accurate in all respects. You must advise the Bank without undue delay, and no later than thirteen (13) months after the Transaction date, of any unauthorised or incorrectly executed Transactions. You may advise us free of charge via the Freephone number listed on our website www.bankofireland.ie. If you are a Corporate Customer, it shall be your responsibility to demonstrate to the satisfaction of the Bank, that any such Transaction was actually unauthorised or incorrectly executed.
- 8.5.2 In the event of an unauthorised Transaction out of the Account, the Bank will, subject to clauses 8.5.3 to 8.5.5 below, refund the amount of such unauthorised Transaction and will restore the Account to the state it would have been in but for the unauthorised Transaction. If it is later determined that no refund or restoration should have been paid because the Transaction was actually authorised, the Bank will be entitled to recover from your Account any refund or restoration paid without any further reference to you.
- 8.5.3 Where such unauthorised Transactions have resulted from the loss, theft or misappropriation of any Payment Instrument the Account Holder will be fully liable for any such unauthorised Transactions which occurred before such loss, theft or misappropriation was reported to the issuer of the Payment Instrument. If you are a Banking Customer, your liability in such circumstances will be limited to €50, and if the loss, theft or misuse was not detectable to you, then you will have no liability for any unauthorised Transaction. (unless you have acted fraudulently).
- 8.5.4 It shall be your responsibility to demonstrate to the satisfaction of the Bank that any such Transaction was actually unauthorised or incorrectly executed, save if you are a Banking Customer in which case it shall be the responsibility of the Bank to demonstrate that any such Transaction was authorised and correctly executed.
- 8.5.5 Where any such unauthorised Transactions arise as a result of any fraud or gross negligence on the part of the Account Holder, the Account Holder shall be liable for the full amount of such unauthorised Transactions.
- 8.5.6 In the event of any incorrectly executed Transaction resulting from the acts or omissions of the Bank, the Bank will refund the amount of such incorrectly executed Transaction and will restore the Account to the state it would have been in had the incorrectly executed Transaction not taken place. If you are a Banking Customer, the Bank must prove to you that the payment was received by the payee's service provider. Where we cannot do so, a refund will be made without undue delay. If you are Corporate Customer, the Bank reserves the right to investigate any such Transaction to determine that it was incorrectly executed, and was not received by the payees' payment service provider, before making any refund.
- 8.5.7 Where any Transaction is not executed or is defected as a result of you providing information under clause 5.22 which was incorrect, the Bank shall have no liability to the Account Holder in respect of such Transaction. The Bank will however make all reasonable efforts to recover the funds involved in such Transaction. The Bank may charge the Account Holder in respect of all reasonable costs incurred in recovering the funds on behalf of the Account Holder.

8.6 Standing Orders

- 8.6.1 You may set up a standing order on the Account to pay a fixed amount at fixed regular intervals (e.g. weekly, monthly, annually) to another account held by either you or a third party with the Bank or with another bank.
- 8.6.2 You must provide a valid Account number/IBAN and Sort Code/BIC/Routing Code for the beneficiary and you have the option to include a reference number that will be quoted on all payments.
- 8.6.3 You may postpone an individual payment, or change or cancel a standing order set up on an Account at any time by notifying the Account holding Bank branch in writing by close of business one Business Day before the standing order is due to be processed by the Bank. If your instruction (to postpone, change or cancel) arrives later than that we will not have time to obey it before the standing order is due. If that happens, we are not at fault and will not be liable to you or anyone else for any payment made by the Bank on foot of a valid standing order and any other loss or expense which results. You can find more information on Cut-off Times in clause 7.3.
- 8.6.4 The Bank reserves the right to cancel any standing order, without reference to you, if three consecutive payments due under that standing order are not paid due to insufficient funds in the Account.
- 8.6.5 Cancelling a standing order does not in any way alter any agreement in place between you and the beneficiary. The Bank has no obligation to you or the standing order beneficiary in respect of alternative arrangements for the payment of goods or services.
- 8.7 We may limit Transactions on your Account if we believe it is reasonably necessary
- (i) to comply with any court order;
 - (ii) to prevent a breach of the civil or criminal law or enable an investigation into any such breach;
 - (iii) to comply with a request from An Garda Síochána, Office of the Revenue Commissioners or any statutory or regulatory body with the power to enquire or request us to limit withdrawals; or
 - (iv) to enable us to exercise our right of set-off.

- 8.8 We may refuse to carry out any Transaction on your Account if we have reasonable doubts about
- (i) the identity or authority of the person requesting the Transaction;
 - (ii) the lawfulness of the Transaction;
 - (iii) the availability of cleared funds required to meet the Transaction; or
 - (iv) compliance with the Terms and Conditions or any other relevant condition.
- 8.9 Our rights under clauses 8.7 and 8.8 above are additional to and shall in no way limit our rights to block your Account in cases listed in clause 19.3 below.

9 Specific Terms and Conditions for Fixed Term, Call and Current Accounts

9.1 Fixed Term Accounts

- 9.1.1 The minimum cleared balance required on a Fixed Term Account is £20,000 (GBP), \$30,000 (USD), €25,000 (EUR) or for any other currency the equivalent of €25,000 (EUR).
- 9.1.2 The term of your deposit, the amount of the deposit and the rate of interest applicable during that term will be agreed by us on the date that your Fixed Term Account is opened and on subsequent renewals (if any). If, at a later date, you decide to deposit further funds in a Fixed Term Account during its fixed term period, the Bank has discretion as to the rate of interest to be offered and applied to those further funds.
- 9.1.3 We will not alter the interest rate agreed with you in relation to sums held on your Fixed Term Account during the term of such Fixed Term Account.
- 9.1.4 Interest on Fixed Term Accounts shall be paid on the Maturity Date or on the closing of such Fixed Term Account or earlier or later as we may agree. Such interest (if any) will be paid into the Fixed Term Account (unless you instruct us otherwise). If the Account into which the interest is paid is held in a different currency, we will convert the interest at the prevailing exchange rate on the Maturity Date. Any fees which we incur as a result of such conversion shall be borne by you.
- 9.1.5 Unless you tell us otherwise by 11a.m. on the Maturity Date for Euro, Sterling or US Dollars, your Fixed Term Account will be

renewed automatically for a no longer than equivalent term. For all other currencies, you must tell us by 11a.m. two Business Days before the Maturity Date if you do not want your Fixed Term Account to be renewed automatically. The balance on such a Fixed Term Account including accrued interest up to the Maturity Date (unless you have otherwise specified) will be re-deposited on the same basis as before in the same currency and at our prevailing Fixed Term rate for that period for that currency at such time (or as has been agreed in a previous course of dealing between us). We will not be liable to you for any losses that may arise as a result of this.

9.1.6 If you wish to close a Fixed Term Account before the Maturity Date, we will consider such request as soon as reasonably practicable. Should we agree to such request, we may at our discretion charge you a Breakage Fee.

9.1.7 You may not withdraw funds during the term of the Fixed Term Account, without penalty. Where you have a requirement to make a withdrawal, prior to the Maturity Date, due to exceptional circumstances, your withdrawal, part of, or all of the deposit will be subject to a Breakage Fee. The Breakage Fee will reflect our breakage cost of facilitating the withdrawal request. (You may also be charged an administration cost for this, the details of which are outlined in our Fees and Charges Schedules.) The Breakage Fee will be determined as the difference between the deposit rate on your account and the prevailing wholesale market rate applied to the amount of the withdrawal from your account for the remaining period of the fixed term.

9.1.8 "Breakage Fee":

$$\frac{P \times (W - D) \times T}{\text{Day Basis} \times 100}$$

Day Basis x 100

Day Basis means the convention for the number of days used as a denominator appropriate to the currency. For Sterling, this is 365 and for most other currencies it is 360.

Where

P = amount withdrawn

W = wholesale market rate

D = deposit rate on your account

T = remainder of fixed term in days

Example

You have placed €1,000,000 on a six month fixed term account and realise after four months of this term that you need to withdraw €100,000.

The deposit rate on your account is 3%. The remaining term of your deposit is 62 days.

The two month wholesale market rate is 3.5%.

$$\frac{€100,000 \times (3.5 - 3) \times 62}{100}$$

$$= €86.11 \text{ 36,000}$$

9.2 Call Accounts

9.2.1 The minimum cleared balance required on a Call Account is €2,500 or the equivalent in any other currency.

9.2.2 We will calculate interest on Call Accounts daily and pay it to you on a semi-annual basis or more or less frequently as agreed by you with us, or on the closing of such Call Account. Please refer to clause 6.4 above for more information on current applicable rates.

9.3 Current Accounts

9.3.1 The minimum cleared balance requirement on a Current Account is the currency equivalent of €2,500.

9.3.2 Overdrafts

You must operate the Account in credit, unless an overdraft facility is agreed in advance. Any overdraft facility on the Account must be agreed by us in writing. Such facility must operate within the authorised credit limit. An overdraft facility fee is chargeable by the Bank on the granting of an overdraft facility, any new overdraft facility or any renegotiation thereof, on the Account. The overdraft facility fee will be applied annually thereafter at the anniversary of the last such charge for so long as the overdraft facility or other overdraft arrangement is required and provided by the Bank.

Where an overdraft is permitted by the Bank, the interest rate applicable is normally determined by the Bank by reference to prevailing market rates, details of which are available from your branch or business unit relationship manager, and the period and purpose of the facility and the entitlement of the Account Holder to any special features. In addition, the Bank may take account of the risk associated with the facility, which may result in a higher rate of interest.

We can change the overdraft interest rate up or down at any time. Details of such variations will be provided in your Statements, interest rate certificates or Confirmations.

Interest is calculated on the daily balance outstanding (after adjustment is made for cheques in the course of collection), and shall be charged to the Account at the relevant Bank charge dates.

Where overdrafts occur without prior authorisation, or are not repaid when demanded, or in the event of excesses over the authorised credit limit, such unauthorised overdrafts or excesses or unpaid amounts are subject to an additional interest charge of up to 0.75% per month or part of a month (i.e. 9% per annum).

Any such additional interest charge will apply to the amount and for the period of such unauthorised overdrafts or excesses and will apply to unpaid amounts from the period when due until payment and shall be charged to the Account and payable at the same time, in the same manner as the relevant interest charge, currently quarterly. The above mentioned rate or minimum amount may at any time and from time to time be changed by the Bank at its absolute discretion, subject to prior approval of the relevant regulatory authority. Additionally, where excesses occur, the Bank may, at its discretion, alter the amount which is subject to an additional interest charge. In the event of any such change or alteration occurring during the continuance of the facility, the Bank will give to the Account Holder a minimum of one month's prior notice that such change or alteration is to take place.

Any such additional interest charge is intended to constitute liquidated damages to the Bank including compensation for its increased administrative and related general costs occasioned by such unauthorised overdrafts or excesses occurring on the part of the Account Holder or non-payment when due.

Notice under this clause may be given by the Bank to the Account Holder by any means that complies with the applicable laws and the Bank considers reasonable. If a change is to your benefit, we may decide to make the change immediately and tell you afterwards.

An overdraft must revert to credit for at least thirty (30) days, whether consecutively or otherwise, during the 12 month period from either the date of sanction or from the date of any subsequent new permission, if granted, and in the event of such demand the overdraft facility is withdrawn for any subsequent 12 month period. Overdraft facilities are unconditionally cancellable and repayable on demand, and in the event of such cancellation or demand the overdraft facility is withdrawn. Where an overdraft fails to meet the above requirement the interest rate is revised and a higher rate will be charged once for that 12 month period retrospectively. The higher rate will consist of the then applicable interest rate plus 0.75% per annum of the average full overdraft balance which is applied at the following quarter's interest posting. The above mentioned rate may at any time and from time to time be changed by the Bank at its absolute discretion subject to prior approval of the relevant regulatory authority.

10 Foreign Exchange (FX) Contracts

10.1 General

- 10.1.1 Subject to clause 10.1.2, this clause 10 applies to all FX Contracts unless expressly excluded or varied.
- 10.1.2 If you have entered into an ISDA Master Agreement with us then, unless otherwise specifically agreed, such ISDA Master Agreement shall apply to and govern all FX Contracts and to the extent that there is any conflict between the ISDA Master Agreement and this clause 10, the ISDA Master Agreement shall prevail.
- 10.1.3 We may, at our absolute discretion, agree or refuse to enter into an FX Contract and we shall not be obliged to explain our decision to you. Generally, we deal with orders in the order in which we receive them. Dependent on the terms of the order, we may execute an order electronically or manually.
- 10.1.4 We may, in certain circumstances, ask you for security to support your borrowing or other liabilities in connection with your Transactions. We will inform you why we need this security and we will confirm what we need in writing. You should read any documentation relating to your provision of security carefully and seek independent

advice. Any third party guaranteeing your obligations should seek independent legal advice before they enter into such a guarantee. Upon request we will advise you under what circumstances we will agree to release the security.

10.1.5 If you request, we may, at our absolute discretion, agree to settle an FX Contract earlier or later than the date(s) originally agreed between us for settlement. If we do, then we may at our absolute discretion apply an adjusted rate of exchange to the FX Contract. This is because we need to use a rate of exchange that applies on such earlier or later date, which might be different to the rate for the originally agreed date.

10.1.6 We will provide details of your Transaction to the competent authority (such as the Central Bank of Ireland or Financial Conduct Authority) or publicise the price, volume and time of such Transaction in accordance with MiFID II/MiFIR. Certain forward foreign exchange Transactions are exempted from the transaction reporting obligation under MiFID II and MiFIR if the criteria set out in schedule 2 to these Terms and Conditions are met.

In order for us to assess whether your forward foreign exchange Transaction has to be reported or not, you are required to inform us whether you are entering into the forward foreign exchange Transaction as a means of payment for identifiable goods, services or direct investment. Our decision to report or not report your forward foreign exchange Transaction will be based on the information and evidence you have provided in relation to the Transaction.

You also agree to inform us if you are aware or become aware of any change to the information provided to us under this clause 10.1.6 or schedule 2 to these Terms and Conditions.

10.2 Material Interests and Conflicts

10.2.2 We have implemented a conflicts of interest policy ("the Conflicts Policy") that identifies those circumstances that constitute, or may give rise to,

conflicts of interest which may damage the interests of one or more of our customers. The Conflicts Policy also sets out the organisational and administrative arrangements that we have implemented in order to manage these conflicts. If, at any time, you would like to receive further details in relation to our Conflicts Policy, please contact us in writing.

10.3 Failure to deliver currency pursuant to an FX Contract

10.3.1 In the event that you fail to deliver in cleared funds any currency due to us pursuant to an FX Contract you will be liable to pay us the amount of any loss that may arise. You authorise us to debit one or more of your Accounts with us in respect of any amount due and not paid under an FX Contract. For this purpose we may convert any obligation under an FX Contract into the currency in which the other is denominated at our spot rate of exchange for the relevant currencies.

10.3.2 You authorise us to set-off any credit balance to which you are entitled on any Account with us in satisfaction of any sum due and payable by you to us. The payment of any credit balance shall also constitute an FX Contract for the purposes of these Terms and Conditions.

You agree to examine all such Confirmations and where your signature is required, to sign and return such Confirmations to us within ten (10) Business Days of the date of such Confirmations or, where relevant, within the earlier timeframe that may be specified in such Confirmation. You agree that unless you notify us of any errors contained in any such Confirmation within

ten (10) Business Days of the date of such Confirmation or, where relevant, within the earlier timeframe that may be specified in such Confirmation, you will be deemed conclusively to have accepted all the matters contained in all such Confirmations as being true and accurate in all respects.

- 10.5.2 Some Confirmations may be generated automatically and may not necessarily be signed by us.
- 10.5.3 Our failure to issue a Confirmation shall not affect the efficacy, validity or enforceability of the relevant FX Contract.

10.6 Partial Settlement

If, pursuant to an agreed FX Contract, you have the right to settle the FX Contract in whole or in part over a period of time (the "Settlement Period"), then any partial settlement of such FX Contract will not extinguish the obligation upon you to settle the remaining balance of the FX Contract within the Settlement Period.

10.7 Further FX Contracts

- 10.7.1 You acknowledge that all payments to be made to you by us and by you to us under these Terms and Conditions may be debited or credited as the case may be to the relevant Account. This may require us to enter into further FX Contracts on your behalf if the relevant payment amount is in a different currency than the currency of the Account.
- 10.7.2 You acknowledge and agree that we shall be entitled to enter into such further FX Contracts on your behalf. We may at your direction pay or receive amounts due under FX Contracts to or from third parties on your behalf and any such payment shall be debited or credited, as applicable, to the Account.

You acknowledge that all FX Contracts are entirely at your own risk. We shall not be liable for any losses you incur, of whatever nature, which arise from the FX Contracts. You represent and warrant to us and acknowledge to and agree with us that on each date on which you enter into or vary an FX Contract:

- (a) you have made your own independent decision to enter into or vary the FX Contract and as to whether the FX Contract is appropriate or proper for you based upon your own judgement and upon advice from such advisers as you have deemed

necessary. You are not relying on any communication (written or oral) from us as investment advice or as a recommendation to enter into or vary an FX Contract. Further you understand that information and explanations relating to the terms and conditions of an FX Contract shall not be considered investment advice or a recommendation to enter into that FX Contract. No communication (written or oral) received from us shall be deemed to be an assertion as to the expected results of that FX Contract;

- (b) you are capable of assessing the merits and negative features of and (on your own behalf or through independent professional advice) understand and accept the risks inherent in FX Contracts. You are capable of assuming, and will assume, the risks of the FX Contracts; and
- (c) we are not acting as a fiduciary for or an adviser to you in respect of the FX Contracts and we are acting on our own behalf.

 - for a reason that is related to any of the previous ones.
- 26.10 The following applies in addition to clauses 6.4 and 26.9 of these Terms and Conditions in relation to changes to applicable interest rates. We will notify you of the new applicable interest rates in your Statement, interest certificate or Confirmation, in the manner and frequency as per clause 8.4 at least annually. You agree that we will provide Statements at an agreed frequency and you will notify us if you want to opt for a different frequency, or receive individual transaction receipts. We will provide you with the reason for the change of the applicable interest rate so that you can consider whether or not you wish to continue to deal with us on the basis of the new interest rate. If you do not wish to continue to deal with us you shall be free to dissolve this contract with us and if so

doing you must first discharge all and any outstanding liabilities to the Bank in respect of the Account. In the absence of any prior notice to the contrary, you will be deemed to have accepted the changed interest rate with effect from its notified effective date.

26.11 The following applies in addition to clause 9.3.2 of these Terms and Conditions in relation to changes to Overdrafts. We can change the overdraft interest rate, the additional interest charge, the minimum amount and the amount which is subject to an additional interest charge and introduce a higher rate applicable where the overdraft fails to meet the requirements set out in clause 9.3.2 only for a valid reason and by giving you notice. We will tell you the reason for the interest rate change in the notice. The reason may be for example:

- to reflect any change in our cost of funds (i.e. the cost of borrowing the money we use to lend to customers), for example, caused by any change in market interest rates or by other factors outside of our control;
- to reflect any change in the variable rates our competitors charge;
- to ensure we are competitive;
- to enable us to increase the rate we pay to customers with deposit accounts to the level needed to retain their money;
- to ensure that the amount we receive from borrowers will enable us to maintain a prudent level of reserves and/or to meet any regulatory requirements that apply to us;
- to ensure that the amount we receive from borrowers will enable us to maintain long-term sustainability of our business in the Republic of Ireland;
- to reflect any change in the costs we reasonably incur in administering borrowers' accounts;
- to reflect the risk to us that our customers will not be able to make their overdraft payments in full and on time. In measuring that risk we consider the general economy and the effects it has on the ability of customers to meet credit payments;
- to reflect any change in your circumstances or in the economy as it affects you. For example, if such things make it more difficult for you to meet

your credit repayments or increase the risk of the credit to us;

- to reflect any change in taxation which affects the profit we earn from our ordinary activities;
- to reflect a change in the law, or in any code of practice which applies to us, or a decision or recommendation by a court, ombudsman or regulator; or
- because we have reason to believe that one or more of the things listed are likely to occur.

Schedule 3

For CRA Consumers: Description of onerous and novel terms

Are there things in our Agreement with you which you might find onerous or unusual?

We have aimed to ensure that these Terms and Conditions are transparent. We don't want there to be any unexpected outcomes for you in the way the Terms and Conditions work; and we want be sure that you are aware of things that sometimes arise for customers and that could be onerous. So, we recommend you read the terms and conditions carefully before you open your account or enter into new Products. **Please make sure you read this page as we wish to draw your attention specifically to some things dealt with in the Terms and Conditions.**

- If your account is overdrawn you will have to pay us interest until you clear the overdraft and you may also have to pay an overdraft facility fee. If you have not agreed the overdraft with us, you will have to pay an additional interest charge.
- Even if you have an agreed overdraft with us, it is repayable on demand. This means you must repay your overdraft to us if we ask you to do that at any time. (This is a traditional part of an overdraft agreement in Ireland and other countries which not all customers may be aware of).
- If money is paid into your account by mistake we can correct that by taking it out again. We don't need to tell you in advance.

- You may need to use a BIC and IBAN or account number and sort code to give us instructions on your account (or others may need to, for example if they want to pay you money). You need to be careful to make sure these are written or typed correctly because you might lose money if not.
- We have cut-off times that can be important if you are planning a transaction on your account in the afternoon or evening. You can find out about them in the terms and conditions and at <https://businessbanking.bankofireland.com/payments-and-cards/online-banking/business-online/payment-cut-off-times>
- If you have a joint account you are both (or all) equally liable to us for anything that we are owed on the account. One of you will be able to give us an instruction on the account without getting permission from the other person (or other people).
- If you break the terms and conditions and that causes us a loss, you may have to compensate us.
- You must be very careful when you pay cheques or similar paper payments to your account. We may show you the amount of a cheque lodged (paid in) to your account before it has been cleared. This does not mean the money paid to you in the cheque is available to you immediately. A cheque needs to be cleared to allow you to withdraw the amount paid to you by it.
- If you lodge (pay in) a cheque that does not name you as the payee (person to be paid) there is a risk that we will suffer a loss and you will have to compensate us.
- If you lodge (pay in) a cheque that is not in Euro and the bank that holds the cheque account sends it back to us unpaid (if it "bounces") you may lose money if the exchange rate between the Euro and the currency of the cheque changes since the time you lodged the cheque.
- We can pay a post-dated cheque before the date you write on the cheque.
- Where payments into your Account require a currency conversion from euro to a non- Member State currency, (or vice versa), we will credit your Account only when the conversion has been completed.
- If you instruct us to make a payment from your account to an account that is denominated in a different currency, we may carry out a currency conversion at the prevailing market rate. This will be at our cost.
- If you wish to enter into a foreign exchange contract, such as a spot or forward foreign exchange contract you need to read the applicable terms very carefully. They are set out in clause 10.
